Workshop for Foreign Residents and Businesses

Further Understanding Foreign Employment Through Communication

We welcome the following individuals to join us!

Those seeking to foster better relationships with their international employees.

Employers interested in hiring foreign personnel!

Those aspiring to learn from real-life examples of working in Japan!

Date and Time

Monday, September 11th 2023
2pm - 4pm (entry open from 1:30pm)

Place

Aiina 8F, Meeting Room 804A

Participants

- Businesses that are looking to hire, or that already hire foreign residents
 - International exchange students currently at universities or technical schools in the prefecture
 - JET Programme participants who are interested in finding employment in the prefecture
- *Participants must at least have an N2 level of Japanese ability

Event Details

1. Lecture Successful Foreign Workers in Japanese Businesses

Asami Ichiro, President, Naitei Bridge Co., Ltd.

- Currently works as an advisor and committee member to the Ministry of Economy, Trade and Industry, and the Ministry of Health.
- Has also branched out to providing business support, organizing conferences and giving lectures to businesses, and educational facilities.
- Aims to support personnel retention and economic activities of businesses through creating mutual understanding between both Japanese businesses and foreign workers.

2. Case Study The Reality of Working in Iwate as a Foreigner

William Brannen

Section Head - New Business Promotion
Office and Executive Assistant,
Michinoku Coca Cola Bottling Co., Ltd.

3. Workshop Communication When Working in Japan

Learn about the differences in communication in the workplace based on real life cases to enable business and foreign workers to understand each other's perspective.
